

Announcements

BFBi members now have an equal opportunity to promote their products and services to SupplyLines readers, courtesy of our new 'Announcement' pages.

We are making individual 2cm x 1 column width blocks available to all members.

The slots are **2cm** high x **6cm** wide and are available on a single insertion or annual (4 issue) basis.

Single Insertion - £ 60 + vat
Annual (4 issues) - £180 + vat

Please supply your artwork as a hi-res (300dpi) PDF or JPEG
There is no restriction on design layout, but please remember small white text on a multi-colour background may prove difficult to read!

If you don't have any artwork we can produce it for you at no extra cost.
Just send us a JPEG of your logo, your contact details,
and what you wish the main message to say
(eg: 'Your partner foretc')
